Request for Proposal for Woodland Park Middle School Landscape and Playground Structure

Summary: Woodland Park School District has received a grant through the Colorado Health Foundation to create an engaging “tween playground” appropriate for grades 6-8 that will also be accessible to the Woodland Park Community. We are requesting proposals for a new playground area at Woodland Park Middle School. This request will include landscaping to include retaining walls, ADA accessible ramps, stairs, and ground cover/fall area. In addition, we are requesting bids for play systems, sitting areas, and possible shade structures.

Timeline:

July 3, 2017 - Request for Proposal sent

July 10, 2017 - Letters of interest due to Ron Stone at rstone@wpsdk12.org by 2:00 p.m. MST

July 12, 2017 - Site visits to include design plan review
