

STUDENT/PARENT ACKNOWLEDGMENT FORM

The [District Parent Information and Students' Rights and Responsibilities Handbook](#) and the [Student Responsible Use of Technology Policy](#) are available online at www.wpsdk12.org. Additionally, a printed copy may be obtained from the school.

The [Woodland Park School District Parent Information and Students' Rights and Responsibilities](#), *Student Handbook* at each building, and the [Student Responsible Use of Technology Policy](#) have been written so that students gain the greatest possible benefit from their school experience. However, our schools need the help and cooperation of parents to attain this goal. It is important that every student understand their responsibilities and be expected by their parent(s) or guardian(s) to follow the rules and regulations set forth in these documents. We encourage parents and students to review these documents together and talk about the importance of being safe, responsible, and respectful at school and in everyday life.

Please read the statements below, sign and date the form, and return to your school. Your signature acknowledges receipt and understanding of the listed documents. This signed form will become part of your child's file.

- My child and I accept the responsibilities expected of us as a student and parent/guardian of a student enrolled in the Woodland Park School District.
- We acknowledge that we have read the policies, procedures, rules, regulations, and practices presented in the [Woodland Park School District Parent Information and Students' Rights and Responsibilities](#), including:
 - Publication of Student Name, Photograph and/or Work
 - Graduation Requirements
 - Compulsory Attendance Ages
 - Student Absences
 - Truancy
 - Student Code of Conduct
- We confirm that we have read the [Student Responsible Use of Technology Policy](#). We understand that violation of these provisions may result in suspension or revocation of access to the district's technology resources or other disciplinary action in accordance with the *Student Code of Conduct* outlined in the [Parent Information and Students' Rights and Responsibilities](#).
- We understand that the [Parent Information and Students' Rights and Responsibilities](#) and the Board of Education policies it references apply to all students at all times on all District property, including all school buildings, in all school vehicles, while using District technology devices, and at all school-related or Board sponsored activities including, but not limited to, school field trips and school sponsored sporting events, whether held on school property or at locations off school property.
- Voluntary Student Accident Insurance Applications are available at all Woodland Park School Offices. *There are no insurance programs provided by the school which covers students for accidents occurring during school hours or while participating in school-related activities. Students who are participating in athletics must have adequate coverage either through their own policy or through the Voluntary Student Accident Insurance. The schools are in no way endorsing this insurance, but wish only to make an accident policy available for students through a commercial company. If your child qualifies for Medicare, you must obtain, from the school office, a copy of the important notice to persons on Medicare prior to applying for student insurance.*
