

April 6, 2018

Dear Woodland Park Elementary School Families:

Thank you for a wonderful school year! Your children have been a true gift to all of us, and we wholeheartedly value your support and care for our school communities. Below are some important events in preparation for the 2018-2019 school year:

1. Round-up Pre-Registration for Kindergarten and Preschool will be at each elementary school on Tuesday, April 10, 2018 from 4:30-6:30 p.m.
2. Our Preschool continues to offer a full day, five-day option for our early learners ages 3 and 4 years olds. More information will be available to you at Round-up on April 10, 2018
3. Intent to return forms are going home on Monday, April 9 with your current elementary students. Please return them by April 19, 2018
4. In order to streamline our traditional practice of transfer requests between our three District elementary schools, WPSD offers a transfer **request** window from April 9, 2018 through April 19, 2018. Note that no late requests will be considered until late August. Please visit any school's website or contact any one of the schools to obtain a form.

If you should have any questions regarding these items, please contact any of the schools. Once again, thank you and we look forward to a new school year!

Sincerely,

Veronica Wolken, Columbine Elementary

Ashley Lawson, Gateway Elementary

Katie Rexford, Summit Elementary
