

Policy Type: Ends

District Ends Statement

The Woodland Park Re-2 School District exists so that students develop their foundation to thrive as citizens in the 21st Century.

Academic Achievement

Students shall have the academic skills they require to interact and excel in society. The board recognizes academic achievement as the number one fiscal priority.

Social Achievement

Students shall have the traits and life skills necessary for them to become meaningful citizens.

- Students will accept responsibility and accountability for their own actions.
- Students will understand the value of service to others and the impact of service on their school, community, state, and nation.
- Students will understand the importance of exercising the right to vote in a democratic society.
- Students will demonstrate positive work habits and attitudes to be successful in school and future career.

Exploratory Achievement

Students shall have opportunities to explore their talents, to expand their interest and passion for life.

Adopted: September 9, 1998
