Safety and Security

Please know that all outside doors are locked during the school day. All visitors must stop and sign in the office regardless of the nature and length of their visit.

Morning routine

1. Only children having breakfast may come at 7:00 am. They should proceed straight to the lunchroom outside door, past the sheds.
2. Supervision on the Main grounds is provided at 7:15 am, on the Bear playground – 7:20 am. Children are welcome to play on the playground or wait by the doors. Kindergarten students wait in the Bear playground area. First through 5th grade students wait by the main doors.
3. All students and accompanying adults must wait outside until 7:28 am
4. We open the doors at 7:28 am with the first bell to welcome the students and parents/guardians in the morning
5. Only parent/guardians with the prearranged meeting with the teacher may enter the building
6. Every adult must sign in the office regardless of the length of the visit
7. If you bring your child to school after the tardy bell, 7:35 am, you must bring the child into the office and sign her/him in. Thank you for your understanding and partnering with us for your children's safety!

Important information about bus riding

1. Please know that if your child is riding a bus in the afternoon, he/she will not be allowed to walk to the middle school! Similarly (for example), no children are ever allowed "to catch the bus by the gas station."
2. We are not in a position to consider neither parents' notes nor phone calls "allowing" the children to walk instead of riding the bus on any given day.
3. Thank you for understanding and supporting this safety issue.
